Shadowlands

Written by William Nicholson
Directed by Debbie Smith

"Love is the magic"

"Shadowlands"

Shadowlands cannot help but touch your heart, as it examines issues that everyone has to deal with. The audience shares Lewis' journey as he lets himself fall deeply in love with Joy and then struggles to make sense of her pain and suffering and his loss.

The play highlights the importance of friendship to give comfort in difficult times and shows that prayer and faith can lead one through the "Shadowlands" of this world.
